(b) Breakthrough

How to battle your breakthrough

What is a Battle?

- A fight between opposing armies.
- Opposing groups compete to achieve success or control.
- Attempt to solve difficult problem.
- Involvement in struggle or argument trying to deal with something unpleasant or dangerous.

What is breakthrough?

- Important new discovery in something you are studying especially one made after trying for a long time.
- Climbing the ladder to the top.
- Facing the battle before the manifestation of your breakthrough.
- The higher your are becoming in life the greater the strength to apply (Hosea 14: 1-2; Mat. 11:12).

How to Battle for Your breakthrough

- Pay the price.
- Determine to die for your vision (John 4:24).
- Set a goal for your life.
- Put your mistake aside. It will not change your identity.
- Prayer without distraction.

“Sin is extra load to your weight therefore shelve it.”
