POWER FOR EXPONENTIAL GROWTH

Pastor Patrick Tolani

As we celebrate the Oxford Power Conference (OPC) this year, being the 19th Anniversary of our church, I invite you to think deeply about all the great and mighty things that the Lord has done in our lives, in our families and in our church in the last 19 years. I am mindful of the fact that many of us did not start the journey with CLA at the beginning. At whichever point you joined CLA, there is always a landmark encounter for everyone to celebrate representing the faithfulness and goodness of God to all of us His children.

In Isaiah 54:1-3, God speaks to His people, promising them a future of expansion, abundance, and prosperity. These verses remind us of the power of God to bring about exponential growth in our lives, even amid barrenness and desolation. Just as the barren woman is encouraged to sing and to rejoice, we too are called to lift our voices in praise and thanksgiving for the blessings that are to come.

God's promise of enlargement goes beyond physical boundaries – it encompasses all aspects of our lives, including our careers, relationships, and spiritual growth.

He can take our seemingly barren situations and miraculously transform them into fields of abundance and fertility.

Our past struggles and disappointments are not barriers to our future success; rather, they are steppingstones to a greater purpose that God has in store for us.

As we meditate on these verses, let us be reminded of God's faithfulness and His unwavering commitment to our well-being. He is the ultimate source of power and authority, capable of turning our trials into triumphs and our setbacks into comebacks. With God on our side, there is no limit to the growth and blessings that we can experience in our lives.

Therefore, let us walk boldly in the assurance of Isaiah 54:1-3, knowing that our God is a God of exponential growth and abundance. May we align our thoughts and actions with His promises, trusting in His timing and His plans for our lives. In every season, in every circumstance, may we hold on to the hope and the assurance that God is working behind the scenes to bring about a future filled with prosperity, joy, and fulfilment. Let us cling to His word, stand on His promises, and watch as He brings about a harvest of blessings that surpasses all expectations.

I welcome you all to this amazing Conference and I pray that it will birth a life-transforming encounter for all of us in the Mighty Name of Jesus.

POWER OF FRIENDSHIP

Back in 1968, before Reverend Martin Luther King delivered his famous “I’ve been to the Mountaintop” speech, he declared that “It’s always good to have your closest friend and associate to say something good about you, and Ralph Abernathy is the best friend that I have in the world”

History taught us that Ralph Abernathy’s ever abiding friendship was instrumental to Reverend King’s success, helping him to set up the Montgomery Improvement Association and the Southern Christian Leadership Conference.

Long before Reverend King and Ralph Abernathy were born, the Bible recorded the extraordinary friendship that existed between David and Jonathan. It was recorded in 1 Samuel 18:3 that “Jonathan loved David as his own soul”. A love that not only saved David’s life, but also helped him achieve his divine purpose of becoming the king in Israel.

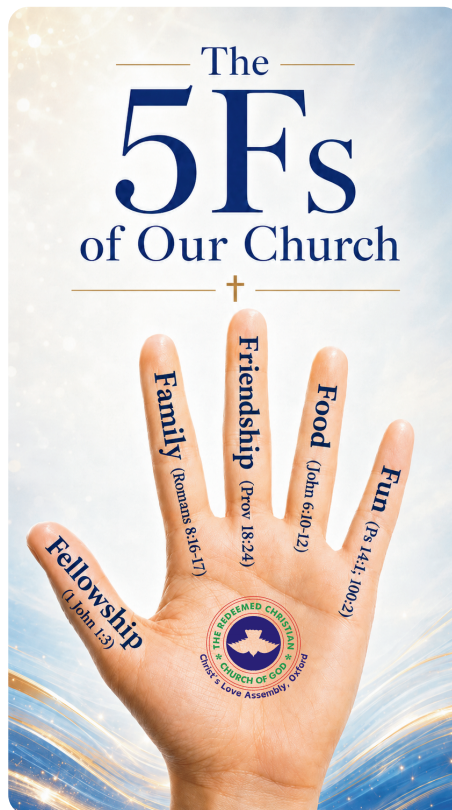

Indeed, friendships created within biblical principles are mutually beneficial, helping friends to develop in career, business, ministry and family life. Friends typically succeed or fail together.

At Christ’s Love Assembly, our critical component of our five fingers tenet is friendship. Guided by the wisdom that someone who has unreliable friends is imminently heading for danger (Proverbs 18:24), we believe that through our support for one another, people are saved from destruction. We invite you to join our band of friends to explore life together.
